Authorized Distributor

Featuring commercial strength and durability, the Eclipse undermount is uniquely suited to residential and commercial applications. Available with premium Easy-Close, a fully-integrated mechanism to bring drawer to a gentle close; or Self-Closing, to close drawers and keep them closed.

Features and Benefits

- **100 lb. load rating** in 30" wide drawers.
- **Full Extension.**
- **Precision adjustment features:**
 - Slotted holes to allow for front-to-back adjustment of the slide during installation.
 - Auto-adjust cabinet member positioning.
 - Self-adjusting face frame bracket.
 - Rear face frame bracket with 2" depth adjustment.
 - Horizontal and vertical drawer front adjustment. Cam lock included to secure drawer front position.
- **Tolerance absorbing design** for flawless movement.
- **Front face frame hole** sized for wood screws.
- **Front lever disconnect** for easy drawer removal and reinsertion.
- **Flexible**—compatible with 1/2" to 5/8" drawer box thicknesses.

Availability

- **Premium Easy-Close**—Model 3132EC has an integrated mechanism for a fluid, gentle close.
- **Self-Closing** action on Model 3132SC closes drawers and keeps them closed.
- **Lengths 15", 21", and 12"-28"** in 2" increments.
- **10" length available for 3132EC** 
- **Clear zinc finish.**
